Lid Stay

29-5303
\$6.30 each.

*One fitting system, two functions; braking or stopping

*Any time easily convertible

*Automatic closing function

*Can be mounted on the left or right

*Max. opening angle 110 degree

The lid stay is adjustable for two functions:

***Stopping:** The cabinet lid is continuously adjustable and stops in each position up to the max. opening angle.

***Braking:** The cabinet lid will stay in top position as soon as light pressure is applied it will leave the home position and release the automatic closing action whose speed is softly reduced by braking.

Bottom Mount Drawer Slide - White or Brown

*Smooth running action, loaded or empty.
