5" 50/box \$68.90, 6" 50/box \$77.38

These discs, with aluminum oxide bonded to a tough polyamide mesh, allow sanding dust to be drawn through the entire disc. This maximizes dust recovery as it resists loading, increasing abrasive efficiency and reducing disc wear. Usable on any 5" or 6" orbital sander with integral dust collection.

We can also supply additional disc sizes & rolls!
